

OPERATIONS MEMO

Update from the California Student Aid Commission

STATE OF
CALIFORNIA

October 3, 2017

GOM 2017-33

TO: High School Counselors
High School Principals
County and District Superintendents

FROM: Catalina G. Mistler 
Deputy Director, Program Administration & Services Division

SUBJECT: **2018-19 Electronic Grade Point Average Submission Update**

This Operations Memo from the California Student Aid Commission (Commission) provides an update to [GOM 2017-28](#) regarding the electronic submission of Grade Point Averages (GPA) for the class of 2018 by the **October 1, 2017** deadline.

- As of October 2, 2017, the Commission has received 67% of the estimated total expected GPAs for the class of 2018. The Commission appreciates those schools who have already submitted their students' GPAs.
- The Commission will continue to assist high schools and school districts with their GPA submission process as well as with obtaining or renewing their WebGrants access throughout the month of October.
- Cal Grant award notifications to students will be sent in early November 2017, and GPAs are required for students to receive award consideration. Early notification of their Cal Grant award eligibility helps students in their college planning and admission process.
- Schools are also encouraged to upload GPAs for students that graduated in 2017, as this may help them qualify for a Cal Grant if they did not qualify during the prior application period.
- For further assistance with the GPA upload process, visit our [Live Webinars](#) page to register for one of our upcoming webinars. Individual assistance by phone and e-mail is also available.
